Amendments to the Specification

Please replace paragraph [0058] with the following:

[0058] Other schemes to update AVM databases include periodic update of the entire database, periodic update of classes of properties, e.g., condos of a certain price range, or periodic update of individual properties. Further disclosure about AVM databases can be found in U.S. patent application Ser. No. 10/536,692 filed on September 7, 2006 to Mario Villena and Jose Villena entitled "COMPUTERIZED SYSTEMS FOR FORMATION AND UPDATE OF PROPERTY DATABASES", the substance of which is incorporated by reference in its entirety.
